

Renew your Educator's License at WCU for free!

To support efforts to retain effective teachers, William Carey School of Education is offering a tuition-free course* for Mississippi PK-12 educators to renew their teaching license.

Teachers may earn three credit hours by successfully completing a five-week master's level course at William Carey University:

Teacher Performance & Professional Growth

This course is designed to implement theory as well as foster professional growth and development through a teacher pedagogical performance self-study.

The course will be offered during the 2022 Fall term.

Classes begin September 26

Course can be used as an elective in the Master of Education in Elementary or Secondary Education degree programs.

*Applicant will be responsible for the application and technology fees associated with the course (\$85.00)

*Educators who have taken this course previously are not eligible
